

Feel free to request parent/teacher conferences to discuss your child's progress. The parents, family and staff of Cloud Springs Elementary jointly developed this Family-School Compact for Achievement. Parents created the suggestions for home activities to support their child's learning. School-wide meetings are held each year to update this compact. Parents are welcome to contribute comments at anytime. For more information on this compact please contact Lori Welborn at 706-866-6640.

### **Communication about Student Learning**

Cloud Springs Elementary School is committed to communicating regularly with families about children's learning. Some of the ways we communicate are:

- ◆ Report Cards
- ◆ Parent Portal Updates
- ◆ Progress Reports
- ◆ Weekly folders
- ◆ Class Newsletters
- ◆ School Newsletters
- ◆ School Website
- ◆ Remind
- ◆ Parent—Teacher Conferences
- ◆ Compact discussion at "A" Tribe Meetings

Contact your child's teacher by phone (706) 866-6640 or email for questions about your students progress.

## **What is A Family-School Compact?**

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop jointly together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

### **Effective Compacts:**

- **Link** to school goals
- **Focus** on student learning skills
- **Describe** how teachers will help students develop skills using high-quality instruction
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will

## **District Goals For Student Learning**

Catoosa County Public Schools will prepare every child to reach their full potential, so they graduate prepared to be good citizens and leaders of the future.

*Every child, Every day, without exception*

## **School Goals For Student Learning**

In 5th grade ELA our school will focus on building stamina in reading and writing. In math we will focus on using facts fluency as a basis to solve problems.

1. **Reading Goal:** Using the 2023 GA Milestones Lexile scores, students in 3rd, 4th, & 5th grade will have a 3% increase in reading levels 2, 3, and 4.
2. **ELA Goal:** Using the 2023 GA Milestones ELA scores, students in 3rd, 4th, & 5th grade will have a 3% increase in ELA levels 2,3, and 4.
3. **Math Goal:** Using the 2023 GA Milestones Math scores, students in 3rd, 4th & 5th grade will have a 3% increase in math levels 2, 3, and 4.

## **CSE 5th Grade Students**

CSE students joined staff and parents to develop ideas about how they can succeed and reach for the stars in reading, math, and writing. Students thought of the following ideas to make connections between learning at home and school:

- I will read at least 20 minutes every night to increase my fluency.
- I will practice math facts weekly so I will be prepared for the many steps of long multiplication, long division, and fractions.

**Comments and/or suggestions are welcome at any time during the year.**

**We want to stay in touch with you. Feel free to request a conference with your child's teacher or an administrator by calling 706-866-6640.**

## **CSE 5th Grade Teachers**

5th Grade Teachers will work with students and their families to support students' success in reading, math, and writing. Some of the key connections with families will be:

- We will provide math fluency practice and resource links for building math skills.
- We will provide reading fluency and/or comprehension practice
- We will keep the lines of communication open through conferences and "A" Tribe meetings to discuss student academic progress and provide parents strategies to work with their student to achieve their learning goals.

## **At Home—Parents**

CSE parents joined staff to develop ideas about how families can support student success.

- ♦ I will listen to my child read every night for 20 minutes.
- ♦ I will attend parent conferences regarding my child's academic achievement.
- ♦ I will help my child with his/her math homework, and will use materials to explore math at home.
- ♦ Keep in contact with my child's teacher through remind, phone calls, email, face to face, attend "A" Tribe Meetings, regarding my child's academic achievements in reading/math/ELA.

## **CSE MISSION STATEMENT**

**OUR MISSION IS TO ENSURE HIGH LEVELS OF LEARNING FOR ALL**

**When teachers, students and families work together, we can achieve our goal.**
